

# Vita™ 5-Piece Pan Set

with Pot Lid Holders

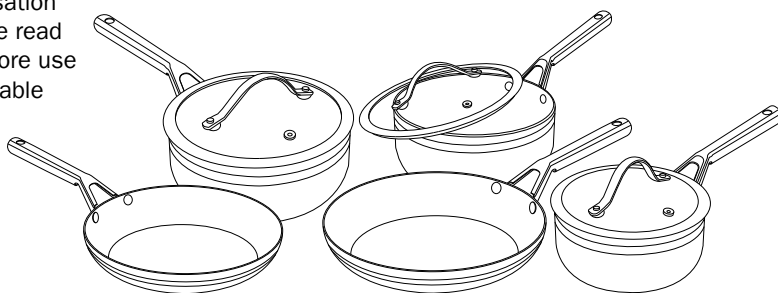

## Information for use

Thank you for purchasing this Vita™ 5-Piece Pan Set with Pot Lid Holders from DMD Collective.

This 5-Piece Pan Set with Pot Lid Holders is the ideal kitchen go-to for effortless cooking, dishwasher-safe convenience, and space-saving organisation for years to come. Please read this manual carefully before use to ensure safe and enjoyable cooking experiences.

### Set Includes:

- 20cm Frying Pan
- 24cm Frying Pan
- 16cm x 8cm Saucepan with lid
- 18cm x 8.5cm Saucepan with lid
- 20cm x 9cm Saucepan with lid
- 3 x Pot lid holders (1 pair each)

### Important Warnings

- **Handle Heat:** While the handle generally stays cool, the small V-shaped joint connecting it to the pan can get hot during cooking. Use caution when touching this area.
- **Utensil Care:** Use silicone, nylon, or wooden utensils to protect the non-stick coating. Avoid metal utensils, as they can scratch and damage the surface.
- **Do not overheat:** Excessive heat can damage the pan and non-stick coating.

### Frying Pan & Saucepan Cooking Instructions

1. Select the appropriate pan size for your recipe.
2. Preheat the pan over medium heat for 1-2 minutes. Add a small amount of oil if desired.
3. Place food in the pan and cook according to your recipe.
4. Use silicone, nylon, or wooden utensils for stirring and turning food.
5. Do not preheat the pan empty for extended periods.
6. Do not overheat the pan, as this can damage the non-stick coating.

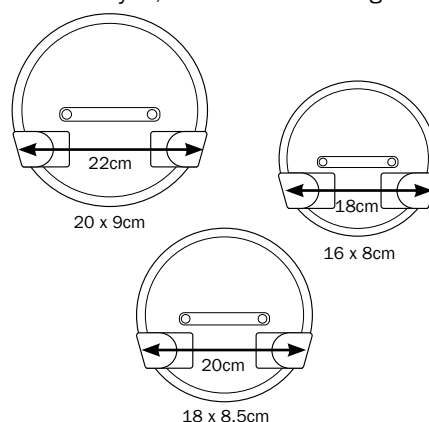

## Cleaning & Care

- Let the pan cool completely before washing.
- Wash the pan by hand with warm, soapy water and a soft sponge. Do not use abrasive cleaners or scouring pads.
- Alternatively, the pan is dishwasher safe for convenient cleaning. Place the pan on the top rack only.
- Dry the pan thoroughly with a soft cloth. Store the pans in a cool, dry place.
- For stubborn food residue, soak the pan in warm, soapy water for 10-15 minutes before washing.
- To maintain the non-stick performance, avoid using high heat settings.

## Setting Up Your Pot Lid Holders

The pot lid holders are designed for easy storage and access when cooking. Organised cupboards or convenient counter top access – create the kitchen that works for you, all while maintaining a neat and tidy space. Follow these steps to install:

1. **Measure the distance:** Refer to the infographic for the specific measurement corresponding to each lid size.
2. **Mark the spot:** Using a pencil, lightly mark the measured distance on the underside of your kitchen cabinet or shelf.
3. **Stick it down:** Each pot lid holder consists of two components. Peel off the plastic sticky backing for each component, matching the marked spots on the wall. Align them according to your desired spacing and measurements (refer to the infographic measurements or your own preference).

## Technical Support

If you require any technical support for your product within the warranty period, please contact us on [support@dmdcollective.co.uk](mailto:support@dmdcollective.co.uk) and provide the product name and supplier code (see Technical Specifications) along with the technical query and proof of purchase.

## IMPORTANT: ADDITIONAL SAFETY INFORMATION

This item is **NOT** intended for use by persons (including children) with reduced physical, sensory or mental capabilities, or lack of experience and knowledge, unless they are supervised or have been given instruction concerning use of the item by a person responsible for their safety.
