
Dahlia Hanging Chair

Information for use

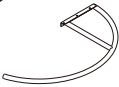

Thank you for purchasing the Dahlia Hanging Chair with Steel Stand from DMD Collective. Please read through all the information in this document and keep it for future reference.

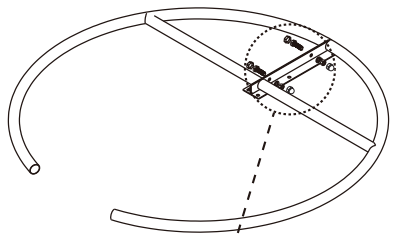

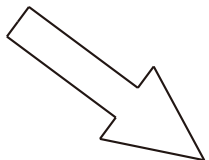

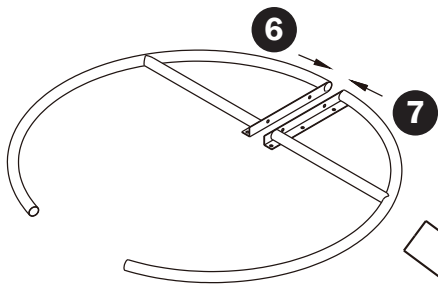

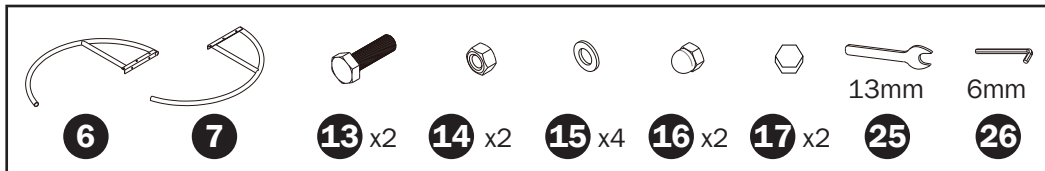

Safety Guidelines

- Warning: This product has a maximum weight capacity of 120 kg. Only one person can use the chair at a time. Exceeding the weight limit or sharing the chair may result in injury or damage.
- Keep the chair away from heat sources, such as radiators or fireplaces, to prevent damage to the materials.
- Use caution when entering and exiting the chair. Avoid swinging, shaking, leaning, climbing, or standing on this chair to prevent injury or damage.
- Avoid placing heavy objects or storing belongings on the chair. Excess weight may damage the chair.
- Carefully unpack all components from the box. Ensure no parts are missing or damaged before assembly.
- Assemble the product on a firm, level surface. Ensure the frame maintains contact with the surface.
- Keep children away from the assembly process and supervise their use of the chair.
- Before use, make sure to securely assemble the chair. Regularly inspect the chair for any signs of wear and tear and tighten any loose bolts or nuts.

Installation - Attaching The Basket To The Frame

1. Place the cushion (item 5) inside the completed basket.
2. Attach the basket to the hanging frame.
3. Secure the back of the seat (item 3) to the frame using the safety strap supplied.

Care Instructions

- For best results, clean the steel frame and rattan basket with a damp cloth and then dry thoroughly.
- Avoid cleaning with abrasive materials, bleach, or solvents, as they may cause discolouration or damage to the product.
- For minor spills and stains, spot clean the cushion seat with a mild detergent and damp cloth.
- Regularly air out the cushions to prevent mildew and odours.
- Before storage, ensure the product is clean and dry. Steel rusts when exposed to air and moisture.
- Prolonged exposure to direct sunlight may fade the colour and damage the fabric. Store the chair indoors in a dry, cool place when not in use.
